

Dear Steve,

APP/21/01310 | Change of Use of land and woodland (retrospective) as a wedding and events venue, including retention of permanent ancillary buildings and structures, the erection of removable structures (including marquees and temporary facilities), and the use of the land as a campsite in association with events. | Tournerbury Woods, Tournerbury Lane, Hayling Island 22.0222

Thank you for consulting me on this revised application. Thank you for your patience.

I have no further comments to add to my previous response dated 1 February 2022. I note the continuing disagreements between the applicant and adjacent landowners regarding the ownership of land. I am unable to provide a meaningful contribution at this stage and therefore would simply request that, once these matters are finally settled, any necessary amendments to the submitted ecological information are made and I have an opportunity to provide comment.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
