Dear Sirs ,

Land East of Manor Farm Close, Havant

Engineering works to reconfigure existing drainage ponds.

Thank you for the revised consultation to the above application. It is noted within drawing 4525-MJA-SW-XX-DR-C-700-P7 that the provision for the recreational footway provision has been realigned so as not to be obstructed by the amended pond footprint. As set out within the Highway Authority response dated 06 March 2024 the determination of whether the amendments are acceptable is for the Planning Authority.

Yours sincerely,

Holly Drury
