Dear Sir,

36-38 West Street, Havant, PO9 1PG

Display of 2No. internally illuminated fascia signs & 1No. internally illuminated projecting sign.

Thank you for your consultation on the above planning application. The Highway Authority wish to make the following comments.

The Highway Authority are satisfied that the proposed internally illuminated signage does not exceed the maximum luminance levels (600cd/m²) for signs less than 10m² in an urban environmental zone.

Having regard to the above, the Highway Authority provide no objections to the above planning application.

Yours faithfully,

Sophie Osborne
Transport Planner - Highways Development Planning
