Dear Mrs Taylor,

I hope this email finds you safe and well.

The public consultation period for the above prior notification ended on Tuesday (23 August 2022) and I can confirm that no comments have been received.

I am in the process of completing my final checks against the planning history and **Schedule 2, Part 1, Class A** of the **GPDO**. If I may double check, I understand that the existing rear extension is proposed for demolition to facilitate the delivery of the proposed new rear extension. I take it the demolition includes the area hatched red on the submitted Block Plan? I would be grateful if you could please confirm.

Kind Regards

Lewis
