Dear Sir,

Land at Sinah Lane, Hayling Island

Erection of 1.8m high wall serving entrance to residential development (resubmission of APP/22/00639). Repositioning of 2No.Trees to accommodate wall

Thank you for consulting the Highway Authority on the above planning application.

The Highway Authority responded to the previous planning reference (APP/22/00639) recommending no objection as the proposed wall did not impact on the existing highway, nor would it impact on the proposed adopted highway. The latest application proposes the same wall, featuring metal bars which were not included in the original design. The amendments do not alter the Highway Authority's position on the application.

The Highway Authority therefore recommend no objection to the proposed development.

Yours sincerely,

Chris Hirst
