Hi Beth

I have considered the information submitted for application APP/22/00172 and have made the following comments:

Condition 5 - No comment.

Condition 6 - No comment.

Condition 8 - No comment.

Condition 10 - Please could it be confirmed if the details submitted to the original application are to be considered to discharge this condition or will updated information be submitted? Given the time and storms between Nov 2021 of the last survey and receipt of this application it may be advisable to re-survey the trees to ensure the information is robust. I couldn't see any information recently uploaded.

Condition 12 - No comment.

Condition 24 - Please could tree protection measures be referenced in the operations to be undertaken on site and relevant drawings included in the CEMP.

Condition 26 - No comment.

Condition 28 - No comment.

Condition 29 - No comment.

Condition 32 - No comment.

Condition 33 - No comment.

Condition 36 - No comment.

If you have any queries, please let me know,

Thanks
Peter
