Subject: APP/22/00676 - 24 Montgomery Walk, Waterlooville

Hi Mark,

Following our telephone conversation on Thursday (03 November 2022), please can you confirm in writing that, notwithstanding the reference to the proposed block paving / resin on the Amended Plans (No: MT/1547/3 REV C), the proposed hardstanding for the driveway will be carried out under **Schedule 2, Part 1, Class F** of the **GPDO**. In doing so, and as per the condition of Class F, the hardstanding will either:

- Be made of porous materials; or
- Provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the dwellinghouse.

I look forward to hearing from you.

Kind Regards

Lewis
