Hi David,

I noticed a typo on the original application form. It is clear that this s96A relates to the S73 application, but the reference was incorrect on the bottom of page 4 (despite both given in the table above and the correct date). I thought that this is important to clarify this though.

Please can you make the application form originally submitted non-public and upload the attached. One is redacted and one has all of the information on there. The redacted version is usually the one that the public can see online.

If you could confirm safe receipt it would be appreciated.

Kind regards, Natalie.
