

This architectural drawing shows a side elevation of a building. The structure features a gabled roof with a textured surface, possibly representing stone or brick. Two square dormer windows are positioned on the roof. The main body of the building has a flat roof and a textured wall. In the foreground, a fence with vertical slats runs across the width of the image. A vertical line, likely a section line, passes through the center of the drawing, with a circular symbol at the top containing the number '1' and the text 'P 0'. The drawing is rendered in a clean, technical style with black lines and a limited color palette.
