Dear Ms Price,

1 Hart Plain Avenue, Waterloooville, PO8 8RP

Erection of two storey side, rear and front extensions, alterations to fenestration. Replacement garage and erection of a garden room. Increase in height of front boundary wall with sliding entry gate.

As the application is for a single dwelling located accessed from an unclassified adopted metalled highway with no proposed changes to the existing footway crossover access, HCC's Highway Standing Advice should be referred to in the first instance. This can be viewed via the following link under the heading Consultation with the Highway Authority - <https://www.hants.gov.uk/transport/developers/consultation>

Should further advice be required please consult further with the Highway Authority.

Yours sincerely,

Ken Dudley
Consultant Transport Planner
