Dear Mr Woods,

I am the planning officer dealing with the above application. I have now completed my report and will recommend a grant of planning permission. In order for a decision to be made and for my manager to consider my recommendation I would like to request an extension of time to determine the application. I am proposing the following date of the 26th January.

Please can you confirm by replying to this email if this date is agreeable to you?

Once I have a response I will be able to submit my report/recommendation.

Please be aware that if my manager agrees with my recommendation this application will have to go before a committee as there are over 5 objections.

I look forward to hearing from you.

My best regards

J. Price
