Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This is going to ruin the landscape of the area.

I often see much wildlife in the area which will finish this off which is so sad. Where is the wildlife to go?

The infrastructure on Hayling will not be able to cope with more houses ie doctors, chemists, shops petrol stations, schools and etc it's just ridiculous especially as it's so close to the 200 houses are being built already.

The Havant Road will just be grid locked for much of the time during peak times and it will cause trouble for ambulances trying to get to patients.

We have growing crime on the island, which will get worst and we have not got police stationed on Hayling so they do what they can do but are not always able to react in a timely manner.

With the increase traffic flow this will make Saltmarsh Lane dangerous.
