Dear Ms Donophy,

15 Elm Close Estate, Hayling Island, PO11 9AT

First floor roof extensions to sides, dormer to rear with first floor terrace, single storey side and rear wrap around extension and extension to parking area at front

I refer to the consultation on the above planning application and would advise that as a single dwelling with access to a private unadopted highway that HCC's Highway Standing Advice should be referred to in the first instance. This can be viewed via the following link under the heading Consultation with the Highway Authority -
<https://www.hants.gov.uk/transport/developers/consultation>

However, in regard to the application, the Highway Authority would confirm that the proposal would not result in a significant increase in vehicle movements and would not therefore result in a detrimental impact on the operation and safety of the wider local highway network.

Yours sincerely,

Ken Dudley
Consultant Transport Planner
