Comment Reasons:

Comment: I object to another having another housing development on Hayling Island

The A3023 has too much traffic on it already. This has been pointed out by the planning Inspectorate. If there is a hold-up on the road this makes it impossible for ambulances and emergency vehicles to get through.

The doctors and pharmacies are already at breaking point

The sewage system cannot cope as it is. There are too many discharges into the sea .

The island is getting ruined by more and more building. Please stop
