Good morning Lesley,

Further to the recent consultee comments received, in the link below can be found updated documents to respond to the comments from the following:

Detailed commentary can be found in the attached PDF with our response to those comments.

County Ecologist & Portsmouth Water comments:

We have engaged with a lighting designer to provide an updated external lighting strategy and contour plan as requested by the County Ecologist. Our Ecologist (Ecosa) are also working on the updated ecological impact assessment also requested and this will be submitted once the lighting strategy is completed. Therefore, the ecology comments/ response are still in abeyance at this time.

Kind regards,
