Dear Christopher,

SCHEDULED ANCIENT MONUMENT HA 38: TOURNER BURY

Thank you for meeting me at Tournerbury on October 19th, and for a very interesting inspection of the site. As discussed, the Tournerbury Woods Estate is proposing to create an alternative route for trackway access into the woods, which would run across open land to the west. In representing a more direct line of access, this alternative route would completely avoid the scheduled monument, and thus pre-empt the possibility of future damage due to ground compaction, rutting or erosion. English Heritage would therefore support this proposal, which would support long term aims for the sustainable conservation of the monument and its setting.

Yours sincerely,

Dr Richard Massey
