Dear Sir,

Cowplain School, Hart Plain Avenue, Waterlooville, PO8 8RY

Installation of a 18m x 8.4m modular building for use as a classroom, 2 practice rooms, store room and teacher office

Thank you for your consultation on the above planning application. The Highway Authority wish to make the following comments.

The Highway Authority are aware of current parking issues along Hart Plain Avenue particularly in the school pick up and drop off times. There are concerns that the loss of 8 parking spaces for the above planning application may exacerbate the current parking issues along Hart Plain Avenue.

It is however the responsibility of Havant Borough Council as Local Parking Authority to confirm whether the loss of parking is acceptable or not.

Having regard to the above, the Highway Authority provide no objections to this application subject to written confirmation from Havant Borough Council that the loss of parking spaces is acceptable.

Yours faithfully,

Sophie Osborne
Transport Planner - Highways Development Planning
