Application for approval of all Reserved Matters relating to Phase 1 (northern access route
from Manor Lodge Road (B2149)) of the Havant Thicket Reservoir Project (Hybrid
permission APP/20/00990) and approval of condition Nos: 2, 13, 20, 27, 28, 32, 36, 37, 38
and 39 also in relation to the northern access route**

Consultation response: No objection

Thank you for consulting Hampshire County Council's Countryside Service ('the Service') on the above planning application.

The applicant is seeking Reserved Matters approval for Phase 1 of the planning permission granted under planning reference APP/20/00990 for Havant Thicket Reservoir. The application also seeks approval on the discharge of a number of planning conditions associated with the extant consent; however, none of these conditions relate to Public Rights of Way (PROW). Accordingly, no objection is raised.

Review of this application is an opportunity for the Service to be reminded of the ambition for the Applicant to establish a north-south off-road route suitable for walkers, cyclists, and equestrians connecting the Application site with Cowplain and Horndean, possibly integrated with development of the East of Horndean development proposal. The Applicant is requested to contact the Service to advise on its current progress to this aim.

Yours faithfully,

Jon Perks
