Planning Application APP/21/00399 Land at Waterloo Park, Elettra Avenue, Waterlooville

From a landscape perspective we have the following comments:

- The amendments to footway has reduced the number of trees to the detriment of the soft landscape scheme. Can the omitted trees be relocated elsewhere within the site? SW corner, within hard landscaping etc?
- We require clarity on the soft landscaping which is abutting the highway, currently this is grass is this proposed to be retained?
