

FOR ATTENTION OF RACHAEL McMURRAY

Rachael, Thank you for sending us this consultation.

Please accept this response as being that of The Highway Authority in respect of Public Rights of Way.

Havant Footpath No 56 runs immediately adjacent to the eastern edge of the site.

We have no objection to this proposal and would ask that the applicants be made aware that nothing connected with the development or its future use should have an adverse effect on the footpath, **which must remain available for safe use by the public at all times.**

In addition, no builders or contractors vehicles, machinery, equipment, materials, scaffolding or anything associated with the works should be left on or near the footpath so as to obstruct, hinder or provide a hazard to walkers.

We would be grateful if these requirements could be included in the decision notice.

Many thanks

Barry Lockyer
