

Dear Mr Christie,

Planning Application APP/20/00990 Havant Thicket, Reservoir and Pipe Line, Middle Park Way,
Havant

Thank you for your consultation regarding the discharge of conditions 4, 5, 6, 10, 11 and 29. I understand that the WSI submitted for the archaeological condition allows for 'reaction' to the implementation details of the scheme and so I would not raise any archaeological issues regarding these conditions.

Yours sincerely
