Comment Details

Commenter Type: Further Comments

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the building of these extra houses because they will be using Billy Road for access. A road that we as residents of The Oysters have to pay a maintenance fee for. If the road is damaged during the building phase, I would expect the damages to be repaired and paid in full, at no cost to The Oysters.

Likewise once the building is completed, I would expect the residents of the new houses to contribute towards the maintenance of Billy Road and pay towards any extra fees that might arise, just as we do
