Good afternoon,

The Inspector suggests the Inquiry is moved, as proposed, for eight days starting 28 June 2022, sitting until 1 July and then from 5 to 8 July, with a virtual case Management Conference beforehand.

The Inspector is unfortunately unable to accommodate the Appellant's alternative dates, and he will ask the LPA to convene the virtual Case Management Conference. Are there any dates which should be avoided between 11 April and 5 May for the virtual Case Management Conference?

Could all parties please get back to me by Monday 17 January, 5pm, at the latest? Thank you.

Kind regards,

Alice Maurice
