Dear Havant Borough Council Planning Development Team,
Thankyou for you correspondence dated 25th January 2022 in regard to the Planning Application APP/21/01314 concerning a single story rear extension and associated work at Tall Trees, Edward Gardens, Havant.

The Portsmouth Water Catchment Management Team have reviewed this application and have no subsequent adverse comments to make in regard to this development from a groundwater quality protection perspective. This is due to its small nature within SPZ1 of the groundwater catchment.

Kind Regards

Catchment Management Team
