F.A.O. Mr R Karir,

In respect of our planning application ref: APP/22/00758 and your letter dated 07/09/2022, copy attached, I provide the following:

1. As stated on the Consent to Display an Advertisement form submitted with the application the method of illumination is static and having an illuminance level of 1000 cd/m2.
The illuminance type and level are also stated at item 4 on our drawing H213/SIGN-02A submitted with application.
2. The illuminated lettering will be formed with:
 - a. Built-up rim/return 0.9mm descaled s/s text, 5mm opal 050 acrylic faces
 - b. 10mm white Foamex backtrays to suit with cool white 12v LED face illumination

I trust the above provides sufficient information for the application to be validated.
If you require anything further please let me know.

Kind regards,

Mike Hay
