

Dear Denise,

Many thanks for your email. In answer to the points raised I can provide comment as follows:

1. I can confirm that we are in agreement with the amended description below.
2. I can confirm that I have attached a revised Block Plan demonstrating the unobstructed inward operation of the new gates proposed with a car parked in the garden.
3. The final chosen hardsurfacing that will be used will comply with condition 2 of the Hampshire Highways consultation comments and will be a non-migratory bound surface.

I trust that this is acceptable and look forward to hearing from you in due course.

Best Regards

Mark
