Dear Sirs

Application ref: APP/21/01010
Our ref: 389564

Thank you for contacting Natural England regarding the above-mentioned development.

Natural England has previously commented on this proposal and made comments to the authority in our email dated 4 January 2022 (our reference 376038).

The advice provided in our previous response applies equally to this **amendment** although we made no objection to the original proposal.

Should the proposal be amended in a way which **significantly** affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us the amended consultation, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.

Yours faithfully

Loz BurrIDGE
