Dear Sir,

21 London Road, Waterlooville, PO7 7AL

Drop kerb to shared driveway

Thank you for your consultation on the above planning application. The Highway Authority wish to make the following comments.

The Highway Authority require an alternative drainage solution to be submitted due to the impact that the dropped kerb will have on the current drainage features within the kerb line. Additionally, the Highway Authority require confirmation that the proposed access will not impact the existing disabled parking space adjacent to the access point.

Having regard to the above, the Highway Authority require the following further information requested before a formal recommendation can be made.

Yours faithfully,

Sophie Osborne
Assistant Transport Planner - Highways Development Planning
