DC Case Officer:	Selina Donophy		
DC Case Officer Extn:	6698		
Application Number:	APP/22/00329		
Site Address:	53A Southwood Road, Hayling Island, PO11 9PT		
Proposed Development:	Site Address: 53A Southwood Road, Hayling Island, PO11 9PT Proposed Development: Single storey side and rear extension with balcony		

Observations / Comments:

I have no adverse comments to make in regard to this application.

I would however ask, that the following informatives be added if consent were to be granted.

Informatives:

Regarding Hours of Work:

You are hereby advised to ensure that no works or ancillary operations associated with any demolition, excavation, clearance and construction works at the development, which are audible at the site boundary, shall take place on any Sunday or Bank / Public Holiday, nor on any other day except between the following times: Monday to Friday: 8.00 – 18.00 and Saturday: 8:00 – 13.00.

This is in order to protect the occupants of nearby residential properties from noise and vibration nuisance

Regarding Bonfires:

You are hereby advised to ensure that no bonfires take place on this site, during any phase of the operation i.e. demolition, excavation, clearance and construction works. If you feel you have a legitimate reason for a bonfire, it is recommended you enquire with the Environmental Health Pollution team, at Havant Borough Council, prior to taking this action.

This is in order to protect the occupants of nearby residential properties from smoke pollution.

Regarding Dust Control:

You are hereby advised to ensure that appropriate measures are employed for the control of any dust that might emanate from the development site. The methods of dust control should be in accordance with the guidance as laid out in the BRE Report 456 - Control of Dust from Construction and Demolition activities.

This is in order to protect the occupants of nearby residential properties from dust nuisance.

Regarding external lighting: You are hereby advised to ensure that if any external floodlighting or other form of external lighting scheme is to be installed in connection with this development, that it shall not cause a light nuisance issue to any neighbouring property. If you should have any queries in this regard you are asked to contact the Environmental Health Pollution team, at Havant Borough Council.

This is in order to protect the occupants of nearby residential properties from light disturbance / nuisance.

Regarding wood burning or multi-fuel stoves / appliances:

You are hereby advised that whilst no smoke free zones currently exist within the Havant borough, this does not relieve operators / owners of wood burning or multi-fuel stoves / appliances, from ensuring that they do not cause nuisance to other residents within their neighbourhood. If you are unsure as to what your position would be in relation to existing legislation such as the Environmental Protection Act 1990 or the Clean Air Act 1993, it is recommended you contact the Environmental Health Pollution team, at Havant Borough Council.

This is in order to protect the occupants of nearby residential properties from smoke nuisance.

Please do not hesitate to contact me if you wish to discuss any of the above matters raised or would like further explanation.

Mr. Mark Moss

Regulatory Officer, Environmental Health
