Dear Sir/Madam,

**Proposal:** Single storey rear extension to 14 London Road; creation of first floor above 12 and 14 London Road to provide 2 No. one bed flats with associated parking and access to the rear.  
**Site:** APP/21/01216: - 12-14 London Road, Purbrook, Waterlooville, PO7 5LJ.

Thank you for your letter dated 06/12/2021.

Southern Water requires a formal application for any new connection to the public foul sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: [developerservices.southernwater.co.uk](https://developerservices.southernwater.co.uk) and please read our New Connections Charging Arrangements documents which are available on our website via the following link: [southernwater.co.uk/developing-building/connection-charging-arrangements](https://southernwater.co.uk/developing-building/connection-charging-arrangements)

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).

The map displays a residential neighborhood with various streets and landmarks. Key streets include Ladybridge Road, Penjar Avenue, and London Road. A yellow box highlights a specific area near the bottom center, containing a red cross and a blue circle with the number 3707. The map also shows numerous numbered circles (red, blue, yellow) and crosses (green, red) indicating specific locations or features. Other notable landmarks include the Putney Methodist Church and the Brompton Cemetery.
