

The floor plan shows a house with a large terrace. The house is oriented with the entrance on the right side. The layout includes a living room with a fireplace, a kitchen, a dining area, a sitting area, a study, a bedroom, a bathroom, and a terrace. The terrace is located on the right side of the house and is divided into two sections. The dimensions of the terrace are 200' x 200'. The house itself is 200' wide and 200' deep. The plan also shows a staircase leading to a lower level and a small garden area.

Roof windows to single-storey extension

D

This architectural floor plan shows a building with a complex layout. On the left, there is a gabled section with a small square room. The central part of the building is a large rectangular area with a dashed border. To the right of this central area is a long, narrow section containing three rectangular rooms stacked vertically. At the bottom left, there is a small square room with a circular feature. The bottom right section has a diagonal line indicating a sloped roof or a partition. The entire plan is rendered in black lines on a white background.

Existing parking arrangements to be maintained

Architectural floor plan of a house. The interior is yellow, and the roof is grey. The plan shows a living area with a sofa and armchairs, a dining area with a table and chairs, a kitchen with a sink and stove, and a bathroom with a bathtub. A dashed line indicates the boundary with the 'Adjoining property'.

Diagram illustrating a roof extension. The main roof is labeled "New single-story pitched roof extension". A "Log burner flue" is shown extending from the extension through the main roof structure.
