Comments

If this development is permitted then the Traffic Team would want a provision to be made for a sum of £5000 (plus the costs associated with advertising the proposals and any works) estimated to be a maximum of £7000 in total, to be provided by the developer to be set aside from commencement to allow a TRO to be processed ending 5 years from practical completion of the development, to ensure that any parking from the development does not interfere with the capacity, operation or safety of the local highway network.
