Title:	Mrs	First name:	Heather	Surname:	Lealan
--------	----------------------------------	-------------	--------------------------------------	----------	-------------------------------------

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

Agreed to amend the layout of the site, bringing the dwelling closer to the rear boundary of 35 Blackthorn Drive. This enabled the habitable accommodation and amenity space for the new dwelling to be located to the south of the new dwelling, ensuring that there was no impact on the residential amenities of future occupants. In addition the access could be located at the southern end of the site, away from the highway tree. With one parking space required the cycle and bin store could be located in front of the on-site parking space allowing greater amenity provision for the new dwelling. The windows in the north elevation of the dwelling would serve a bathroom and study and would face the rear boundary fence of 35, thus ensuring neighbour amenity is protected for existing neighbours and future occupants. As these spaces are not habitable the windows could be obscurely glazed if required.
