Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Just how many more of these planning applications are we going to see? The island infrastructure cannot handle more residents - there are finite school places and what about GPs? From May - September the roads are already oversubscribed with tourists and cannot handle more load.

Just bring a halt to the constant assault on Hayling Island and its' wildlife. Not to mention they want to build on land at flood risk.
