Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/19/00324.

The condition in respect of which information has been submitted is:

Condition 4:

No development shall start on site until a construction method statement has been submitted to and approved in writing by the Local Planning Authority, which shall include:

- (a) A programme of and phasing of demolition and construction work;
- (b) The provision of long term facilities for contractor parking;
- (c) The arrangements for deliveries associated with all construction works;
- (d) Methods and phasing of construction works;
- (e) Access and egress for plant and machinery;
- (f) Protection of pedestrian routes during construction;
- (g) Location of temporary site buildings, compounds, construction material, and plant storage areas;
- (h) Details of all proposed external lighting to be used during demolition, excavation, clearance and construction works and the measures used to limit the disturbance to any nearby properties, to be provided. Lighting shall be used only for security and safety; and
- (i) Details of measures to be employed to control the emission of noise during demolition, excavation, clearance and construction. BS5228:2009+A1:2014 Code of practice for noise and vibration control on construction and open sites - Part 1: Noise, and Part 2: Vibration (BSI, 2014v) provide guidance on the requirements and indicative noise and vibration levels and criteria.

Demolition and construction work shall only take place in accordance with the approved method statement.

Reason: To safeguard the amenities of the locality and in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
