Details of the pre-application advice received

I had a quick look at the revised drawings. Other Council's I have worked at were fine with a 1m gap for 2 storey extensions but I have quoted Havant's Design Guide that stipulates 2m. However, in light of the examples you refer to in the locality I think it would be worth submitting it and see how it goes as I am not the final decision maker.

I note the ridge is now significantly lower than the existing and that the 2 storey element has been reduced in size both of which would help reduce the impact on next door but that would need to be fully assessed by a site visit. It would also appear more subservient in the street scene.

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

12. Ownership Certificates and Agricultural Land Declaration

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
