

This architectural elevation drawing shows a two-story house with a gabled roof. A chimney is located on the left side of the roofline. The main house has a front porch with a gabled roof supported by columns. The upper story has two windows, and the lower story has a larger window. To the right of the main house is a smaller, single-story structure with a gabled roof and a large window. The drawing uses black outlines and red horizontal lines for shading.
