**Town and Country Planning (Development Management Procedure) (England) Order 2015
Discharge of Conditions Application**

Application Number: APP/21/00405

Site Address: Langstone Technology Park, 2B Langstone Road, Havant, PO9 1SA

Description: Variation of Conditions 2, 3, 8, 18, 19, 22 and 25 of Planning Permission APP/19/00703 relating to the erection of the flexible use industrial units in the south-western corner of the site (Phase 1).(25.08.21). Request to discharge conditions 4,7,9,10,11,12,13,14 & 15 (06.09.21).Request to discharge conditions 5 & 6 (24.12.21).

This decision relates to your request to discharge conditions which was valid from 06/09/2021.

Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/21/00405.

The conditions in respect of which information has been submitted are:

Condition 4:

No development shall take place on a phase of the development until details of existing and finished floor and site levels relative to previously agreed off-site datum point(s) for that phase have been submitted to and approved in writing by the Local Planning Authority. The development shall be undertaken in accordance with the approved details.

Reason: To ensure that the development has an acceptable impact on the character and appearance of the area having due regard to policies CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

Details submitted:

FRA Appendix A Topographical Survey Drawing No. 38869_T Rev 0
FRA Appendix B Proposed Levels Strategy 101 Rev A

Condition 11:

Prior to the commencement of the new industrial units full details of the Electrical Vehicle (EV) Charging points, shall be submitted to and approved in writing by the Local Planning Authority. The details shall demonstrate that EV charging points are provided for the new car parking areas and that the development will accommodate at least 24 EV charging points. The details shall include the location of the EV charging points and a full specification of the materials to be used externally on the Charging points. Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: To ensure that the development provides appropriate facilities for Electric Vehicles in the interests of the environment, air quality and that the appearance of the development is satisfactory having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and Policy IN3 of the Pre-Submission Havant Borough Local Plan 2036 and the National Planning Policy Framework

Reasons for approval

The details hereby approved are considered to be in accordance with the relevant adopted policies of the Council, in particular the policies contained within the Havant Borough Local Plan (Core Strategy) 2011.

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6573.
- (2) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning Development Service at the Public Service Plaza or by telephoning 023 9244 6015.
