Dear Madam,

The Town and Country Planning Act 1990
(Tree Preservation Order) Reg 2012

Site Address Land adj. Crest House, Hill Rd PO7 5UE.
Proposal File/No. Copper Beech subject to TPO. 1363.

It has come to our notice that Mrs. J. Quick of Stakes Hill Road has yet again tried to have the council cut down the Copper Beech tree on land in Khandala Gardens, adjacent to her property.

This appeal has already been denied by Havant Borough Council under the Town and Country Planning Act in 2019.

As the residents have previously pointed out this beautiful tree is over 150 years old and hosts many bats, birds and other inhabitants. There also used to be a flock of Starlings and a green Woodpecker who have had to seek other 'accommodation'!"

As it is, Ms Quick already sweeps
up her garden rubbish and deposits over
the fence into Khondela gardens! Surely if
one doesn't like trees and their
associated leaves don't move next to one!

We hope this Appeal will
have the same outcome as the last one!

Yours sincerely,
