Subject: RE: APP/21/00200 Pfizer New Ln. - Disch. c.14, c.15, c.16 - Means of Wastewater Disposal, Network Detail & Maintenance. EH Comments

Sorry David,

Just came across this flagged email in my inbox as I was searching for something else – I'm sure you've already actioned this, but to confirm; the email below was intended as a 'no material comments or objections' to discharge of c.14 – I'd interpret that condition narrowly, and consequentially not within scope of the policy controls that I'd normally comment upon.

Best Regards,

Jon
