Hi Maria,

Further to email exchange below, please see attached a Site Visit report from our arboriculturalist which includes updated photos of the tree protection fence.

I'd be grateful if you could let me know whether this now provides you with everything you need to enable the Condition to be discharged?

As a separate matter, the report notes that works may be needed to the willow following the recent storm for safety purposes – is this something that the Council would be responsible for in picking up with the tree's owner?

Many thanks
Susie
