Dear Sirs,

The Clock House, 83-91 London Road, Waterlooville

**Conversion of ground floor to the rear of Unit 1 The Clockhouse, to create
1No. 2 bedroom / 3 person flat with bin and bike provisions, as well as relocation
of bins and bike provision for approved development on site.**

Thank you for your consultation on the above planning application. The Highway Authority wish to make the following comments.

No car parking spaces will be provided by the proposed development. Given the sites accessibility to sustainable modes of transport, from a Highways perspective this is considered acceptable. However, the applicant is required to get written confirmation regarding this matter from Havant Borough Council as the local Parking Authority as to whether this is deemed acceptable or not.

Having regard to the above, the Highway Authority are satisfied that the above proposals will not have a detrimental impact on the wider highway network and are happy to recommend no objection.

Yours faithfully,

Sophie Osborne
Assistant Transport Planner - Highways Development Planning
