THE SOUTH DOWNS COLLEGE, COLLEGE ROAD, WATERLOOVILLE, PO7 8AA

Dear Mrs. Lealan,

Thank you for your letter of the 28th August 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposed building is a single storey flat roofed building. Such buildings often suffer vandalism by people gaining access to the roof. Steps should be taken to reduce potential access points to the roof and to the space beneath the building.

The rear elevation of the proposed building will have limited natural surveillance which will increase the vulnerability of the building to crime. To mitigate this to some extent I would recommend that the building is alarmed.

I note that when completed this building will restrict the natural surveillance of the entrance to the existing music building.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
