7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

- Whether the degree of pruning works requested would undermine the amenity value of these trees and whether this could also be harmful to their ongoing health and vitality.

7.2 My inspection related specifically to assessing the proposed works rather than generally inspecting the tree's health and condition in any great detail. I visually inspected the tree from ground level and the following report deals with the relevant issues that have been raised on site, in the application form and from my site observations.

- 7.3 This application to undertake works to trees protected by a Tree Preservation Order relates to the proposed pruning of two Oak trees on land adjacent to 39 Cumberland Avenue but which overhang the boundary. One of the Oaks is encroaching onto the shed roof and the branches are to be pruned to give sufficient clearance to avoid rubbing onto the shed roof. The larger of the Oaks is to be reduced laterally, back to the previous pruning points as it has put on approx. 2m of regrowth and is now encroaching onto the house.

No objections to the application have been received.

The trees appeared healthy however an inspection of the base of the trees was not undertaken. The application has not been submitted because of the trees condition.

8 Conclusion

The work proposed is considered to be appropriate and proportionate and therefore permission should be granted.

9 RECOMMENDATION:

That the Head of Neighbourhood Support be authorised to **GRANT TPO CONSENT** for application APP/21/01014 subject to the following conditions

- 1 The tree works for which consent is hereby granted shall not be carried out otherwise than in full accordance with all relevant content of BS 3998 (2010).

Reason: In the interests of tree health and safety.

- 2 The tree works for which consent is hereby granted shall be carried out and completed no later than one year from the date of this decision notice.

Reason: To control the timing of the works.
