Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/20/01043.

The condition in respect of which information has been submitted is:

Condition 11:

No development hereby permitted shall commence until details of the proposed piling have been submitted to and approved in writing by the LPA in consultation with Portsmouth Water. If the piles penetrate the full depth of the Clay cover a piling method statement (detailing the depth and type of piling to be undertaken and the methodology by which such piling will be carried out, including measures to prevent and minimise the potential for damage to subsurface water infrastructure, vibration and the programme for the works) has been submitted to and approved in writing by the Local Planning Authority in consultation with Portsmouth Water.
