Subject: RE: Land at Lower Road, Havant APP/19/00427 Discharge of Condition 3

CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Hi David,

Happy New Year to you too.

Many thanks for this. I am content that submitted Reptile Translocation report (ECOSA, November 2021) provides sufficient details of the reptile translocation exercise carried out in September 2021. My recommendation that Condition 3 can be discharged remains.

Hope this suffices,

Kind regards,

Tristan

Tristan Norton

Coronavirus (Covid-19)

Hampshire County Council's response to the Covid-19 is available here (<https://www.hants.gov.uk/socialcareandhealth/coronavirus>).

In line with Government advice to reduce non-essential travel and work from home where possible, Ecology officers are now working remotely. Whilst we will endeavour to conduct our services in a timely manner and to meet statutory timescales where we can, there may be some impact to the services we deliver. We will ensure that we keep all applicants / interested parties informed of any further impacts to our services should they arise. The Council's response also means that no non-essential site visits or face to face meetings will be undertaken until further notice. Essential and contractual surveys may continue take place where there is no risk to the surveyor or

the public, and in line with Government advice. This will be reviewed on an on-going basis.
