

SUPPLIED DOCUMENTS – J F GOODWILLIE LTD LIGHT POLES X4

Filename	File Type	Description
B1 - Base Side View	JPG	Image showing the base of the light installation.
H1 - Hood Side View	JPG	Image showing the 'hoods' installed on each light from the side view. These protect the light from the weather but also help deflect light away from the neighbouring properties.
P1 - Pole Side View	JPG	Image showing the full view of the light post from the Sideview.
P2 - Pole Front View	JPG	Image showing the full view of the light post from the front.
V1 - View from light poles 1 and 2	JPG	The "view" from light poles 1 and 2, pointing back in to our yard.
V2 - View from light poles 3 and 4	JPG	The "view" from light poles 3 and 4, pointing back in to our yard.
Pole Diagrams	PDF	Drawings supplied indicating the design of the posts and light hood.
Light Pole Installation	PDF	Table showing dimensions of each light pole, heights and distance from our boundary line.
Pole Locations	PDF	Map showing light pole installation locations, and direction of light flow.
Website Screengrab	PDF	Screengrab of website showing where we bought the lights from.
Materials & Lights Specification	PDF	Information on construction materials and Lights specification
Supportive Statement	PDF	Supporting letter.
