CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Hi Selina,

Thank you for your email.

Given that the applicant is wishing to extend their driveway it is recommended to them that subject to any planning permission being granted by the Local Planning Authority, a subsequent agreement will need to be granted by HCC to carry out the extension to the dropped kerb. Details of this procedure can be found at the following link:

<https://www.hants.gov.uk/transport/parking/droppedkerbs>. It is important to note that if there are any minor utility diversions that are required to extend the dropped kerb then additional costs may arise in addition to the initial application fee. Providing the applicant provides for their dropped kerb extension in the appropriate manner, the Highway Authority will thus provide no objection to this planning permission.

Please can you let me know that this email is acceptable as my response or whether you would like to reconsult so I can provide a formal response.

Many thanks,

Sophie Osborne
