Notes

Hatching

This drawing has transparent hatching added to it. If you are viewing this drawing in AutoCAD and the hatching appears solid please use the command **TRANSPARENTDISPLAY** and set to 1. If you wish to disable the hatching please use the command **FILLMODE** and set to 0 and then **REGEN** the drawing.

Any structural features obscured by suspended ceiling have not been shown

Service covers indicated where visible at time of survey

The grid and datum for this survey is based on the Ordinance Survey grid OSGM15, site centered on control station GPS1 with a scale factor of 1.00

This drawing has been created for use at a scale of 1:100
in accordance with the RICS Measured surveys of land,
buildings and utilities 3rd edition
