Dear Sir,

50 Sandy Point Road, Hayling Island, PO11 9RR

Demolition of existing dwelling. Proposed 1No. detached three bed chalet style bungalow (Resubmission) and alteration to an existing vehicular access.

Thank you for re consulting with the Highway Authority on the above planning application. The Highway Authority previously responded with a standard advice response, however, the application has since been updated to alter the existing vehicular access.

It is recommended to the applicant that they should be made aware that subject to any planning permission being granted by the Local Planning Authority, a subsequent agreement will need to be granted by HCC as Highway Authority to undertake the drop kerb works on the Highway. Details of this procedure can be found via the following link: [Apply for a vehicular access | Hampshire County Council \(hants.gov.uk\)](http://hants.gov.uk). It is important to note that if there are any minor utility diversions that are required to facilitate the dropped kerb then additional costs may arise in addition to the initial application fee. The applicant should also be aware that if an existing access is to be closed, a full height kerb should be reinstalled.

Having regard to the above, the Highway Authority provide no objection to the above planning application subject to the applicant applying to extend their vehicular access in the appropriate manner.

*Director of Economy, Transport and Environment
